Safeguarding and Wellbeing Alert (2)- Covid-19 - 11th June 2020

Personal Hygiene Care

Dear Parents and Carers,

As we increase the number of children in school, it is vital that we retain the schedule of personal hygiene measures. Children are frequently instructed and reminded about the times when they need to wash their hands in school. It is still the scientific belief that this is the single most effective strategy of eradicating germs and viruses.

Children will not be allowed to bring in their own products including gels and sanitisers. The school uses recommended products and health and safety restrictions specify that sanitisers should not be used by children.

Please remember to make this a habit at home too and remind children to dry their hands properly to prevent soreness and sensitivity of skin.

All classrooms have sinks enabling the convenience of washing hands as well as facilities in the toilet areas.

Please also ensure that children know how to use tissues and handkerchiefs efficiently and are provided with these.

Waste bins in school are frequently emptied and servicing and cleaning of cloakroom areas scheduled throughout the school day.

Help us to remain healthy: -

WASH HANDS. WASH HANDS. WASH HANDS

Thank you for your support and cooperation

With regards

Mrs Hulme
Executive Headteacher

(Designated Child Protection Officers:

Executive Headteacher: Mrs Hulme & Deputy Headteacher Mrs. Quinn)

Safeguarding Statement

This school takes notice of and adheres to all the national and local policies and guidance in regard to Safeguarding Children and Young People.
