

## St Mary's PTA Hand Drawn Christmas Cards (Junior School)

We know it's early but we wanted to get organised and give you the opportunity to order some very special Christmas Cards. Your child can create his/her very own festive design, which will then be turned into **Christmas Cards, Stationery or Gifts**. Cards will be A6 in size and printed on responsibly sourced paper in gloss with the following:

- Child's design on the front (portrait or landscape depending on design)
- Parent's chosen greeting inside
- Child's name and school on the back
- Envelopes

You can also order keyrings, magnets, wrapping paper, gift labels and **two new products: chocolate bars and mouse mats**, all featuring your child's name and amazing design for that personal touch!

Simply fill out the form that your child will bring home, ensuring your child's name, year and class are filled in correctly. Please write your child's name as you would like it to feature on the cards and make sure it is **written clearly** to avoid mistakes.

Once your child's artwork is ready, pay online following the instructions on the form and return the artwork to the Junior School office **by Wednesday, 13<sup>th</sup> October**. After you pay, don't forget to **write your order reference number on the form** before you return it to the school. Money raised from the sale of these cards and other Christmas goodies goes straight back to the school towards resources, so not only do you get some personalised Christmas must-haves but the school and your children benefit too!

If you have any questions, please let your class rep know. Nuria and Trish, the Year 5 and 4 mums who are coordinating for us, will do their best to help.

Thanks for your support!
