

Dear Parents and Carers,

We need you! Please read on...

We can double the funds raised for our school with **MATCH FUNDING!!**

What is match funding?

An increasing number of both large and small independent companies operate a match funding scheme whereby they 'match' charity fundraising undertaken by their employees. This could be the fundraising total for an event, or for the stall that their employee is working on.

A lot of bigger organisations set aside millions of pounds to fund such schemes and are more than happy to support their staff in raising money for charities of their choice.

St Mary's PTA is a registered charity and as such, we can benefit from your involvement, however big or small, at any of our fundraising events.

What we're asking you to do...

Contact your Human Resources Department to find out if your employer has a match funding scheme, or if they are willing to match funds at any of our events.

If you are able to help us this way, let your Class Rep know and we can discuss your companies' requirements. Please make cheques payable to 'St Mary's PTA'.

See below for a list of companies that have previously match funded.

Thank you for your support!
